RE: FT Capacity Renewal

In accordance with M.D.T.E No. 109 Item 13.0 Capacity Assignment, section 13.2.2 of the Fitchburg Gas and Electric Light Company (FG&E) Tariff we are sending this letter to notify you that five (5) transportation contracts are up for renewal on January 31st, 2003. You are receiving this letter because your name is on the Massachusetts Department of Transportation and Energy Web site.

If you are not the contact person for supply behind the FG&E city gate, please forward this letter to the appropriate personnel.

The current term of the contracts extends through January 2004. Under Tennessee Gas Pipeline's (TGP) tariff firm suppliers must notify TGP one year in advance of their intent to renew or release transportation capacity. The TGP contracts that are up for renewal are:

<u>Contract #</u>	<u>MDQ</u> <u>Dth</u>	<u>Receipt/</u> <u>Delivery Pts.</u>	<u>Election</u> <u>Date</u>
267	466	zones 4 - 6	1/31/03
268	2,012	zones 4 - 6	1/31/03
2916	2,000	zones 0,1 - 6	1/31/03
2919	2,000	zones 0,1 - 6	1/31/03
38927	550	zone 6 - 6	1/31/03

At this time FG&E intends to renew these contracts and is evaluating the term for which the contracts should be renewed. FG&E is considering renewing these contracts through March 31, 2006. These contracts represent approximately 50% of FG&E's firm transport capacity to city gate.

With this letter I am requesting any input you have regarding the disposition of these contracts. Please respond to me by e-mail or letter by December 5, 2002. My email address is doskocil@Unitil.com or you can mail responses to me at Unitil Service Corp, 6 Liberty Lane West, Hampton NH. 03842 Attention: David Doskocil.

FG&E's remaining TGP transportation contracts expire in March 2004. Notice of renewal or release to TGP under those contracts will be due by March 31, 2003. FG&E is considering extending those contracts to March 31 2007 and March 31, 2008.

In addition, please let me know if you feel that it would be beneficial to hold a meeting with marketers doing business in FG&E's service territory to discuss the future of FG&E's portfolio.

I look forward to hearing from you,

David Doskocil

To: Marketers;

RE: Fitchburg Gas and Electric Light Company ("FG&E") Capacity Contracts

A letter was sent to you approximately two weeks ago notifying you that all of FG&E's Tennessee Gas Pipeline ("TGP") capacity contracts are coming up for renewal. With this letter FG&E is inviting all Marketers whose names are on the Massachusetts Department of Telecommunications and Energy (DTE) Web site to a meeting to discuss those contracts as well as the remainder of FG&E's capacity portfolio.

The meeting will be held at our facility in Hampton, NH on Tuesday December 17th from 2:00 to 3:30 pm. Representatives of FG&E will discuss current transportation and storage contracts and the Company's renewal decisions regarding these contracts in compliance with DTE directives. In addition to discussing FG&E's portfolio representatives from our operations and customer service group will be available to answer questions.

Please let me know if you plan to attend this meeting and feel free to send me any comments you might have about this capacity renewal process. My phone number is 603 773 6537 and my email address is Doskocil@Unitil.com. You can also mail responses to me at Unitil Service Corp, 6 Liberty Lane West, Hampton NH. 03842 Attention: David Doskocil.

Thank you for your response.
